# School Board Names New FMS - Hamilton Street Campus Vice Principal

Franklin Middle School's Hamilton Street campus will have a new vice principal when school starts in September.

The Board of Education at its August 24 meeting named Tamara Hollinger to the post. Hollinger, who is returning to the district, replaces Tania Kelly, who has left the district.

After her appointment was finalized by the Board, Hollinger said she was "happy to be back in Franklin Township public schools."

"I've often been told that sometimes the longest journey takes you back to where you're supposed to be," she said.

"I enjoy the fact that I'm joining a group of dedicated administrators, teachers, and students," she said. "I believe that education is a calling, inspired by a vision that requires resilience, dedication, teamwork, shared values and shared goals, intently focused on academic excellence for all students."

"Therefore, I stand before you today, honored, and ready to do the work as a proud administrator of Franklin Township public

schools at the Hamilton Street campus," Hollinger said. "I look forward to being a part of all the great work that's occurring in this district."

Board member Bill Grippo said he was pleasantly surprised when he learned that Hollinger was returning to Franklin.

"We go back to Conerly Road School," he said. "You

were phenomenal to that school when I was there. I didn't want to be principal but people like you made it great."

"Tamara is sensitive, smart, and focused on the students," he said.

Hollinger last worked for the district from 2005 through 2021 as an elementary school teacher, and later in the Academic Intervention

Services area, said District spokeswoman Mary Clark.

Prior to returning to Franklin, Hollinger worked in the Newark school system, she said.

Hollinger was to start her \$103,000 position on August 25, or soon thereafter, according to a Board document.

## Woman Gets 11 Years For Fatal Car Crash

A 33-year-old New Brunswick woman was recently sentenced to 11 years in state prison for a wrong-way fatal car crash that killed two children, including a boy from Franklin Township, on

Thanksgiving 2021. Yokauri Batista-Alcantara was sentenced on August 16 by Superior Court Judge Benjamin Bucca. She will have to serve at least six years before she is eligible for parole, according to a press

release from the Middlesex County Prosecutor's Office.

Police said Batista-Alcantara was driving the wrong way on Route 130 in North Brunswick when her car collided with an Old Bridge patrol car.

# Leaf Haus Cannabis Retailer Celebrates Grand Opening

Part of the Somerset Village shopping plaza on Easton Avenue's parking lot took on a carnival air on August 17. Food, music, tents and giveaways highlighted the afternoon celebration of the formal grand opening of Leaf Haus, one of the township's newest adult-use recreational and medical cannabis

dispensaries. Owners Shani Madaminova and Dmitriy Kovalenko, along with employees, family members and supporters, were on hand to mark what was an historic occasion: Madaminova is the first minority woman to open a cannabis microbusiness in New Jersey. In New Jersey, cannabis

microbusinesses have fewer than 10 employees and are located in spaces smaller than 2,500 square feet. "I am so happy that this day finally arrived. It only took about three years," Madaminova told the crowd gathered in front of her store. "I am so lucky to stand here today," she said. "We have the most knowledge-

able staff, the most welcoming community and there's no other place I would rather have Leaf Haus than in Franklin Township." Madaminova has owned a health care-related business for nearly 20 years, she said. "As someone who has had health issues for most of my life, I can assure you that the only thing that helped

me through painful days was whatever we sell at this store," she said. "So I'm very happy that cannabis is legal in New Jersey." Deputy Mayor Ram Anbarasan (D-At Large), was on hand to represent the Township Council. He praised Madaminova and Kovalenko for already helping out two township organizations with

donations. The couple donated \$1,000 to the Babe Ruth Little League 12U team to help get them to the Babe Ruth World Series, he said, and had also donated to the Franklin Food Bank. Leaf Haus is located at 900 Easton Avenue, Suite 18, next to the Diamond Thai restaurant.

# Garden State Track Club Awards Five Scholarships At Meeting

**SCHOLARSHIP WINNERS** – Five Franklin High School seniors were awarded \$500 scholarships by the Garden State Track Club at the Aug. 9 Township Council meeting. Also pictured are FTPD Det. Sgt. Rebecca Lea and Lt. Vincent Wilson.

Five local students were awarded scholarships August 8 by the Garden State Track Club.

The \$500 scholarships were generated by funds from the annual Garden State 10 Miler, held by the Club each March in Colonial Park.

The awards were distributed at the August 9 Town-

ship Council meeting.

The scholarships show that "the police department, the community and everybody involved can make things work with a little bit of effort, said the Franklin Township Police Department's Lt. Vincent Wilson. "This is a token of appreciation to those that have

exhibited hard work and leadership and deserve to be recognized.”

The students receiving the scholarships were Britney Garcia Mendoza, Fenil Patel, Noelia Abreu, Marilyn Vargas-Rodriguez, and Avery Scott.

Mendoza, Patel, Abreu,  
and Vargas-Rodriguez are

from the Franklin High School JROTC. Scott is from the Cross Fit/Franklin Fit program run by the FT-PD's Community Relations Bureau at the Franklin Youth

Center on Lewis Street.

"So this truly is a combination of education, physical fitness, community initiative," Wilson said.

Proceeds from the Gar-

den State 10 Miler from 2017 to 2022 were donated to the Nick Magos Cancer Call-Out.

Rolando Camarillo Cholula, 32; Hero To His Family

Rolando Camarillo Cholula, beloved husband, father, son, brother, and friend, passed away on August 2 in Franklin Township.

He was born on September 18, 1980, in San Vicente Pinas Oaxaca, Mexico. Rolando's life was tragically cut short, but his memory will forever be cherished by those who knew and loved him.
